N.B.

The price listed in this proposal covers the digital strategy for one country only.

Since Habino is planning to grow its digital presence in three countries, I'm happy to offer a 25% discount if we develop the strategy for all three countries together.

Here's the breakdown:

- Cost for one country: \$700
- Total for three countries (without discount): \$2,100
- Discounted price for all three countries: \$1,575

This offer helps keep the brand consistent while adjusting the strategy to fit each country's audience and needs.
