

1. Louco Team

Evin Acar
Founder & CEO

Helin Acar
COO & Founder

Yazan Alkhatib
CTO

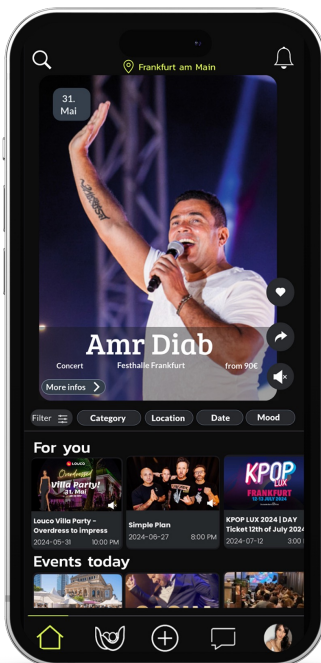

2. Challenge & Solution

Challenge: 30 % of event tickets are unsold, which cause lost sales of €1b. p.a.

Due to lack of

- Overview
- Personalization
- Event selection
- Engagement

Solution: Louco - the first app that makes both sides happy: Event organizers & users

3. Competition & USP

Louco - the 1st super event app that offers key added value components that today's solutions such as Eventim, Fever, Timeout etc. don't have. These are:

1. Overview of a huge amount of events
2. Personalization + powerful filters
3. Dynamic & engagement with video shorts
4. Advanced connectivity
5. Matchmaking event companions

4. KPIs

Year	2024	2025	2026
Revenue	0,5 m.€	2 m.€	7 m.€
Active User	0,03 m.	0,5 m.	2 m.

5. Marketing

Community Building

- Through monthly Louco Partys
- Cooperation with Instapages & Influencer

6. Finance

Seeking a funding of €2.5 m.

Funding is needed for:

Further Tech Development, Staff, Marketing & G+A

7. Milestones
