

- Please change the flag on top to national flag (USA/Ethiopia/Kenia/Tanzania)
- Please change the sub text on the footer under habino to “Our listings encompass Houses, Apartments, and Land for Residential and Commercial uses, serving as a shelter for individuals and businesses”
- Please add a button left to location search bar with a flag where you can choose in which market you are searching (ET/KE/TZ)
- Please change “book a service” to “Service”
- Please add the contracts section into the Service Section (sub page)
- The “more filter” need also commercial types i.e. office, retail, logistics/industrial
- For the favorites, please also add the USD on each listing
- The headers from the landing page should be also on other pages i.e. Service is missing
- The market insight page should be something like this (s. Attachment)
- Please add prices for the premium features (5\$ each per week as an example)
- Change the Bottom Colour of the three pages in “other” also in grey
- The Map in property Listings should be in Mombasa Kenya
- Change the “Copyright 2024” to Copyright 2025 on every page

App

- The Property Listing needs to be like air bnb, a mix of map and list view, we only need the hybrid view for the app
- The Add Property process needs to be split up in more stages, this is too much info on one stage, we prefer more stages with less information
