

HABINO VERBAL BRANDING

Find your space. Anytime. Anywhere

1. Brand Story

Habino was born from a vision: to bring clarity, trust, and modern tools to East Africa's booming real estate market. In a region buzzing with growth yet clouded by outdated systems, Habino steps in as the digital bridge — connecting people to homes, dreams to spaces, and brokers to thriving businesses. We believe finding property should be exciting, not exhausting. With Habino, East Africa's real estate is redefined — fair, transparent, and right in your pocket.

2. Brand Purpose

To empower East Africans to find, rent, or buy property with confidence and ease by bringing transparency, trust, and modern digital tools to the real estate experience.

3. Brand Positioning Statement

For: Young East African property seekers and brokers frustrated with untransparent and fragmented real estate markets.

Habino is: A smart, modern digital platform offering a trustworthy, localized, and intuitive way to buy, rent, or sell property.

Because: We provide verified listings, trusted brokers, and powerful, map-based search tools built to international standards and tailored for East Africa.

So that: Users can confidently find their ideal property with ease, enjoying a seamless, transparent real estate experience.

4. Tone of Voice

For Client Interactions (Professional but Friendly)

Goal: Inspire confidence while feeling youthful and dynamic.

Tone: Modern and energetic, but anchored in trust and reliability.

Key Traits:

- **Empowering** (motivates users to take control of their property search)
- **Clear** (avoids jargon; speaks plainly and directly)
- **Aspirational** (inspires users to envision better possibilities)

Examples:

- Ready to find your first home? Let's make it happen.
- Your space, your terms — discover property the smart way.
- Experience real estate the way it should be: clear, fast, and in your pocket.

4. Tone of Voice

For Client Interactions (Professional but Friendly)

Goal: Build trust while being approachable and supportive.

Tone: Warm and helpful, efficient yet human.

Key Traits:

- **Reassuring** (e.g., “You’re in safe hands.”)
- **Helpful** (e.g., “Here’s how to list your property in minutes.”)
- **Respectful** (treats clients and brokers as partners, not transactions)

Examples:

- Tell us what you’re looking for — we’ll help you get there.
- Listing a property shouldn’t be stressful. We’ll walk you through it.
- Whether you’re a buyer, renter, or broker — we’ve got your back.

4. Tone of Voice

For Differentiators (Confident & Bold)

Goal: Showcase Habino's unique advantages without disparaging competitors.

Tone: Confident, proud, and forward-looking.

Key Traits:

- **Direct** (e.g., "Built to global standards.")
- **Unapologetic** (about demanding quality and transparency)
- **Innovative** (treats clients and brokers as partners, not transactions)

Examples:

- Verified listings. No surprises.
- Why settle for guesswork? Search with precision on Habino's map-based tools.
- East Africa deserves world-class real estate solutions. We're here to deliver.
