

Habino Marketing Action Plan (Ethiopia, Kenya, Tanzania)

1. Centralized Marketing Team (HQ)

Formation: Built through an open call, ensuring diverse expertise across East Africa.

Core Roles:

1. Creative Director (Lead)

- **Role:** Sets overall creative direction and ensures brand consistency across Ethiopia, Kenya, and Tanzania.
- **Why Needed:** Guides campaigns, oversees storytelling, and connects HQ vision to local execution.

2. Project Manager (Operations Lead)

- **Role:** Coordinates between HQ and local teams/agencies, manages timelines, budgets, and deliverables.
- **Why Needed:** Keeps execution structured and ensures deadlines are met.

3. Senior Graphic Designer / Content Lead

- **Role:** Designs key campaign visuals, oversees master templates, manages central content library.
- **Why Needed:** Core creative production (design, brand identity, visuals).

4. Digital Marketing Strategist (Media & Performance)

- **Role:** Plans and manages digital media (Google Ads, SEO, paid social), oversees analytics dashboards.
- **Why Needed:** Ensures campaigns are data-driven and optimized for results.

5. Data & Analytics Specialist

- **Role:** Tracks KPIs, provides insights, audience analysis, A/B testing reports.
- **Why Needed:** Supports decision-making with evidence, especially important for multi-country strategy.

Responsibilities of the HQ team:

- Develop creative campaign concepts and unified brand narratives.
- Create master content libraries (visuals, scripts, campaign guidelines).
- Manage regional partnerships (diaspora networks, pan-African real estate forums, tech platforms).
- Research media consumption patterns to advise on TV, radio, and Google Ads allocation.
- Provide dashboards and analytics for monitoring KPIs across all markets.
- Lead the local country marketing teams

2. Local Country Marketing Teams / Agencies

Setup: Either small in-house teams or partnerships with trusted agencies in Ethiopia, Kenya, and Tanzania. These teams will be **led by creatives from the centralized team**, ensuring alignment while also leveraging **local knowledge and cultural context**.

Responsibilities:

- Localize HQ campaign ideas into the cultural context (language, tone, neighborhood focus).
- Buy and manage local media (TV, radio, print, billboards, OOH).
- Manage community and social media engagement.
- Establish broker relationships (onboarding workshops, training events, partnerships).
- Organize real estate events/expos in urban centers.
- Develop local influencer collaborations (property vloggers, lifestyle figures, diaspora voices).

3. Multi-Channel Marketing Strategy

A. Digital & Social

- **Google Ads:** Target diaspora audiences + active local property search keywords.
- **Social Media:** Facebook, TikTok, Instagram, YouTube → localized in Amharic, Swahili, and English.
- **SEO & Content:** Real estate blogs, neighborhood guides, diaspora-focused investment articles.
- **Email & CRM:** Targeted campaigns to diaspora investors and verified users.

B. Traditional Media

- **TV & Radio:** Prime-time TV ads, sponsored radio programs, and property-themed talk shows(if necessary).

- **Billboards & Screen Ads:** Placed in real estate hotspots (Addis Ababa, Nairobi, Dar es Salaam), airports, and major highways.

C. Events & Partnerships

- **Broker-Focused Events:** Habino “Verified Broker Forums” in each country.
- **Real Estate Fairs/Expos:** Sponsor and host booths, live demos, and panel discussions.
- **Diaspora Partnerships:** Collaborations with remittance providers, banks, and diaspora unions.
- **Influencer Partnerships:** Property vloggers, lifestyle influencers, financial educators, and diaspora content creators.

4. Phased Rollout: Dual-Loop Campaign Model

1. Centralized Creative & Strategy Hub (HQ)

Mandate:

- Develop umbrella campaign ideas serving both brokers and buyers.
- Build modular toolkits (social templates, ad scripts, video formats) for local teams.
- Research media landscapes (TV, radio, digital habits) in Ethiopia, Kenya, and Tanzania.
- Oversee diaspora-focused campaigns and ensure brand positioning consistency.

2. Local Country Teams / Agencies

Responsibilities:

- Localize campaign ideas (Amharic, Kiswahili, English).
- Buy and place multi-channel media (Google Ads, TV, radio, OOH).
- Lead local community building.
- Execute real estate expos and activations.
- Build local influencer partnerships (brokers, lifestyle creators, diaspora voices).

3. The Dual-Loop Growth Model

Loop 1 – Broker Growth (Supply Side)

Objective: Recruit, empower, and retain brokers as the trusted backbone of the platform.

Key Tactics (Tentative):

- **Broker Onboarding Drive:** Free training + “Verified Broker” badge.
- **Broker Tools:** CRM dashboards, branded shareable listings, escrow guidance.
- **Recognition Campaigns:** Spotlight top brokers (“Broker of the Month”).

- **Events:** Broker networking forums + training bootcamps.
- **Content:** “Meet the Broker” TikTok/YouTube series.

Media Mix:

- **Digital:** Google Ads, social media Ads
- **Traditional:** Broker radio ads, newspaper classifieds, industry magazines.
- **Events:** Broker-only roadshows in Addis, Nairobi, Daresalam.

Loop 2 – Buyer Growth (Demand Side)

Objective: Attract property buyers, renters, and diaspora investors by showcasing trust, convenience, and verified listings.

Key Tactics (Tentative):

- **Mass Media Push:** TV & radio ads showing real home-buying journeys through Habino.
- **Google Ads:** Target diaspora searches (“Buy a home in Nairobi from abroad”).
- **Trust Storytelling:** Campaigns showing families finding homes safely via Habino.
- **Buyer Events:** Real estate expos & neighborhood showcases.
- **Influencer Partnerships:** Lifestyle voices + diaspora YouTubers.

Media Mix:

- **Digital:** TikTok, YouTube, Instagram reels with property walk-throughs.
- **Traditional:** TV campaigns (“Verified Homes, Verified Brokers”), billboards in real estate hubs.
- **Events:** Buyer expos + diaspora roadshows.

4. Dual-Loop Integration

Both loops operate **in parallel** and reinforce each other:

- Every **buyer ad** highlights “Trusted Habino Brokers.”
- Every **broker ad** emphasizes access to “Verified Buyers.”

Examples:

- TV ad → Family buys home safely (*buyer focus*) → ends with “thanks to trusted Habino brokers.”
- Social ad → Broker success story (*broker focus*) → ends with “helping more families find their dream homes.”

Circular Growth Effect:

- More brokers → more listings → more trust for buyers.

- More buyers → more leads → brokers stay engaged.

5. Events & Influencer Strategy (Dual-Loop)

- **Broker Events:** Quarterly “Habino Broker Forums” in Addis Ababa, Nairobi, Daresalam.
- **Buyer Events:** Habino “Verified Home Fairs” showcasing listings.
- **Diaspora Events:** Habino booths at diaspora expos in Dubai, Washington, London.
- **Influencer Partnerships:**
 - Brokers → Micro-influencers in real estate.
 - Buyers → Lifestyle & finance influencers.

7. KPIs by Loop (Tentative)

Broker Loop:

- of brokers onboarded & verified
- % of active brokers (weekly listings posted)
- Broker retention rate
- Broker satisfaction survey score

Buyer Loop:

- of buyer inquiries & verified leads
- Website/app traffic & conversion rate
- Event attendance & expo leads
- Diaspora inquiries & conversions

Shared Loop Metrics:

- Transaction volume closed on Habino
- Listing-to-sale time reduced
- Brand trust score (measured via surveys & sentiment tracking)
